Trustees Report for ARP — 28 April 2017

It has been an interesting year, in the operation of the Scout Hall since moving into the new building.

We currently don't have any long-term tenants but will be working on this issue in the coming year, as there is the opportunity for new long-term tenants with this new facility.

We also let out the hall to individuals for family functions and occasionally to sporting groups as a backup location for photo days and jersey days. There has been much more activity in this new facility than in the old Scout Hall.

We have been undertaking significant fitout to the new Hall to ensure its long-term effectiveness as a Scout Hall and community facility. More improvements will be undertaken in the forthcoming year.

In accordance with regulatory and Scout Association policy our fire extinguishers are regularly serviced at the Groups' expense. We have recently appointed a new company to undertake this service, on a six-monthly basis.

The establishment of a new campfire and camping area are yet to be finalised with the Lane Cove Council.

Hall cleaning is an important activity required on a regular basis by outsourced contractors.

Yours in Scouting

Paul McGregor
