

1st Lane Cove Scouts

Term 1 Program (draft)

Date	Badge /Activity	Focus	Patrol Leader	Patrol leader responsibilities	Comments	Leaders
9/02	Welcome back – planning for the term Pioneer badge – construction elective (see p 28 of your green books)	This requires planning, then constructing 3 simple constructions. This week should be the planning, particularly what materials will be needed and where they can be resourced.			Discuss this program and check if there are badge skills/tasks you would like to achieve that are not included here. Fill in the PL & PL responsibilities columns – this should be done by the whole troop. In particular we need to discuss the proposed camp in a few weeks and the camp sites must be booked in advance. As we will be going camping in a few weeks, the camp wash stand will be a really useful structure to have. The chariot will be good fun to test out around Blackman park – maybe if we build 2 we could have races!	
16/02	Begin construction	Following on from last weeks planning			This will be a busy evening, hopefully you can complete the chariot ready for next week's races. Hopefully the flag pole and wash stand can also be constructed.	
23/02	Raise the flag on your new flag pole, then Chariot races. Finally preparing for Camp					
3/03 – 4/03	Camping/Hiking	Camping over night in tents. Complete a day hike.			Camp at Little beach in Boudi NP. This camp site has drop toilets and BBQ's. It needs to be booked in advance, so we need to get organized.	
9/03	Bush care activity	Learn about our local bush and how we can help improve and care for it.			Lets get our hands dirty!	
16/03	Manly waterworks					
23 – 25/03	Moocooboolah Fun Camp at Camp Windeyer					
30/03	Visit to local organisation???					

1st Lane Cove Scouts

Term 2 Program (draft)

Date	Badge /Activity	Focus	Patrol Leader	Patrol leader responsibilities	Comments	Leaders
25/04	ANZAC Day					
27/04	Plan for Scout Hike					
May	Scout Job Week (Month?)					
4 – 6/05	Sydney North Scout Hike					
11/05						
18/05						
25/05	Cook out around the camp fire	Invite Scout troops from local areas to join in.			Many other scout troops do not have a place they can build fires like we do, lets share our great facilities with them, and get to meet some new people.
