Treasurer's Report for AGM — 30th May 2012 **For the year 1st January, 2011 to 31st December, 2011**

During the year we raised a net amount of \$18,553 through the efforts of the leaders and parents included in this amount is \$6,067 raised from Blackman Park BBQ's, \$5,929 (\$5,763) from the Christmas Tree sale and \$4,097 (\$4,751) from the fertilizer drive our two major fundraising events. We increased our Christmas tree income but decreased on our Fertilizer Drive. We also made \$1,534 on our Bunnings BBQ which we have another one booked for later this year.

From our funds we paid \$4,021 for the hall insurance for 4 years, purchased \$3,237 worth of new equipment which includes a second BBQ for \$720 which enables us to run two BBQ's this current year and have the necessary equipment when the group camps out and has equipment needed for the jamboree.

The fundraising for 2012 is directed to the Jamboree and the more parents assist in the organizing and running of the fundraising the more their children will be assisted to attend the 2013 Jamboree.

As long as we continue with this level of fundraising our Group will remain strong financially.

We have included in the account an amount held in trust by the Scout Association. We have not accrued any interest on this account as we do not believe the Association will give us the interest earned to build a new hall.

I wish to thank Brian Hall for acting as our auditor for the year.

Honorary Treasurer
